Accommodation Amenities:

The yurts and the loft boast their own private hot tubs. The cottage has a delightful clawfoot soaker tub. Each yurt has their own private campfire pit and hammock for the warmer months, or their own private woodstoves and snowshoes for the colder months. The yurts are luxury sleeping pods, with the washrooms and kitchens just a few steps away in the Hive Community Building. The cottage and the loft have all the comforts of home with their own private washrooms and kitchens. They also have smart tvs and the loft comes with hundreds of old movies and a DVD player.
